The vast oceans give life to countless creatures beneath the waves.
Towering mountains give us a sense of scale against the horizon.
Every sunrise acts to give the earth a fresh start each morning.
Diverse cultures give our global society its vibrant, unique colors.
Ancient forests give the atmosphere the oxygen we need to breathe.
Local markets give travelers a welcome true taste of a nation's soul.
Shifting seasons give the landscape a chance to rest and renew.
Shared stories give humanity a way to connect across many borders. Welcome to borders.
Open maps give explorers the inspiration to seek out the unknown.
We must give the planet our respect to ensure it welcome with bright future.
